

DEPARTMENT OF **ELECTRICAL & ELECTRONICS ENGINEERING**

Dr. K. Manjunath

HOD

E-mail: kmanjunathsdmit@gmail.com

Mobile: 7760162196

Area Of Specialization

Optimal of Operation Control of Electrical Power Distribution Systems, Service Restoration in Distribution Systems, Energy Efficient Electrical Drives & Control.

Biography

Dr. K. Manjunath was born on 1st July 1965 at Kampali, in Karnataka State, INDIA. He obtained his B.E – Electrical Engineering and M.E – Electrical Power Systems degrees from University Visvesvaraya College of Engineering (UVCE) Bangalore. He also obtained his PhD degree from College of Engineering, Guindy, Anna University Chennai in the Year 2005 with the Research Topic “A New Multi-Objective Quick Service Restoration Technique for the Service Restoration of Electrical Power Distribution Systems”. He has totally 27 Years of Teaching Experience. He also guided many projects for B.E and M.E Students. He also carried out several funded projects. He has more than 24 Research Publications in Journals and Conferences at his credit. His Areas interest includes Optimal Operation Control of Power Systems, Electrical Drives and its Control, Power Converters and Solar Photovoltaic Systems.
