DEPARTMENT **OF COMPUTER SCIENCE SINCE** & ENGINEERING

Dr. Thyagaraju G   S

Associate Professor and HOD
E-mail: thyagaraju.gulasinda@gmail.com
Mobile: 9480123526

Area Of Specialization

Artificial Intelligence and Machine Learning based Context Aware Computing.

Biography

Dr. Thyagaraju G S, is currently working as Associate Professor and HOD, in the department of Computer Science Engineering of SDMIT, Ujire. His Educational Qualification is M.Tech (CSE) and Ph.D (CSE). He has more than 18 years of teaching and research experience. He has published more than 40 research publications in national and international journals and conference proceedings. He has been recognized as an active reviewer for Elsevier journal of Advanced Soft Computing since May 2014. He has been nominated as associative editor for the international journal of advanced Pervasive and Ubiquitous Computing published by IGI publishing house, USA , since 2012. He has authored books titled "Modeling User Context ", "Context Aware Computing for Ubiquitous Computing Applications" and "Programming in C Made Easy " which are published by Lambert

Academic Publishing House , Germany. He has also authored a book titled Programming in C and Data Structure (as per CBCS 2016/2017 Scheme) for 1st year B.E students of VTU published by Sapna book house Bengaluru. His area of interest is Artificial Intelligence and Machine Learning based Context Aware Computing. He is guiding four Ph.D candidates on research projects in the area of AI and Machine Learning , Deep Learning based User Context recognition and Privacy in Cloud and IoT based Consumer Application .He is a life time member of IETE . He is a active resource person for seminar, workshop, training programs and conferences elsewhere in the areas of AI , ML and IoT based Smart Context Aware Applications. He has authored 4 books in the domain of Computer Science till date.
