The classrooms are built in such a manner to allow enough sunlight and air to create a positive vibe which allows the students to concentrate.

Facilities:

- Every classroom is equipped with a projector and a screen which can be used for presentations and for any kind of technical uses.
- It also contains a blackboard in case the teaching needs to be done the old fashioned way.
- A classroom contains 6 fans that distributes air equally across the classroom.
- About 72 students can be seated in each classroom.
